- 09:20 - 10:30 *Q&A with European Commission on issues sent by MS*

- 10:30 - 11:00 *Coffee break*

RED III – MS discussions

- 11:00 - 11:20 *Use of hydrogen in refineries & definition of intermediate products (DK)*
Please take 1 minute to answer this survey: <https://forms.office.com/e/yx42APzeAd>
- 11:20 - 11:50 *Implementation of art. 25 target, subtargets and caps (NL)*
- 11:50 - 12:10 *Converting GHG reduction target into blending target (tbd) & how does double counting work with GHG based target (IT, DK)*
- 12:10 - 12:30 *MS plans on how to achieve 13% GHG reduction by 2030 (UK, DK)*

- 12:30 - 13:45 *Lunch*

- 13:45 - 14:15 *Afternoon activity – let's get energised*

Session 3: Parallel sessions

- 14:15 - 15:30 *Topics 1 and 2 in parallel break-out sessions*

★ 1 – Hydrogen (IT)

- *Promotion on production and use (IT)*
- *Targets, strategies and regulation in MS (IT)*
- *Additionality criteria for RFNBOs: certification and inspection process (IT, DK)*

★ 2 – Electricity in transport (AT)

- *GHG value of national electricity mix: calculating emission reduction of EVs (AT)*
- *Including electricity suppliers in Art 25 obligation (tbd)*
- *Reporting data on electricity provided to transport sector (SK)*
- *Additionality of electricity (DK)*
- *Electric vehicle charging (FR)*
- *E-credits (SE)*

- 15:30 - 15:45 *Summaries*

- 15:45 - 16:15 *Coffee break*

//continued at next page

16:15 - 17:30 Topics 3 and 4 in parallel break-out sessions

★ **3 – Annex IX (IE+FI)**

- Additions to Annex IX (IE)
- Feedstock classification in Annex IX A & B (FI, FR, NL, ES, NO)
- Revision of Annex IX and cap of part B (PT, DK, HU)

★ **4 – Biomethane (NO)**

- Italy's support scheme for biomethane (IT)
- Importing biomethane: accounting of GHG emissions in national inventory/ESR (NO)
- How to count use of biomethane used only in transport (ES, DK)
- Tracing biomethane, distinguishing non-certified from exempted biomethane, accounting towards compliance with e.g. food and feed cap (IT)

17:30 - 17:45 Summaries

17:45 - 18:30 Group photo & refresh

18:30 - 22:00 City walk, followed by dinner

Thurs, 30 March

09:00 - 09:20 *Tea & coffee*

09:20 - 09:40 *Morning activity & welcome final day*

Session 4: Open agenda

09:40 - 10:05 UK's approach to verification (UK)

10:05 - 10:40 Definition of food and feed crop (IT)

10:40 - 11:10 *Coffee break*

11:10 - 11:40 Supervision of whole supply chain: experience, findings and measures (NL)

11:40 - 12:10 Monitoring of VS (SE)

12:10 - 12:30 Update on CB supervision Taskforce (IE)

Session 5: Secretariat

Moderation: Denmark

12:30 - 13:00 Future secretariat, upcoming workshops, topics next workshop, evaluation (DK)

13:00 End

13:00 - 14:00 *Lunch*

Field trip

14:00 - 16:00 Networking activity in Rome
